2 Tim 1:7

I will praise thee; for I am fearfully
and wonderfully made: marvellous
are thy works; and that my soul

Psalm 139:14 (KJV)

"Your life can change in one moment, so take one moment and change your life."

Welcome to MotivateME Magazine

I praise God for unveiling this vision through the work of His hands. We know that life can be challenging at times, I am convinced that for every challenge, every problem, every obstacle, there is a solution. Jesus is the answer to everything and everything He did; He did so that we would be victorious in every area of our lives. We are fearfully and wonderfully made (Psalm 139:14) and when we believe that, we can overcome many challenges, many problems and many obstacles. We are standing only because of God's grace and the promises He has given us through His word. That's what this magazine is all about, knowing who we are so that we can be what we were created to be. We are here to help you tap into your energy, so you can move into greatness.

We motivate so you can dominate. We are here to help you become the best person that you can be. Our energy combined with your energy will cause you to surge to greater places in your life. Your life can change in one moment. So, we challenge you to take One Moment and change your life by following us through Facebook, YouTube, Our Magazine, Our RALLY's, meetings and through our new Mentoring Empowerment Training. "Don't let fear stop you, Let faith move you." - Teresa A. Lassiter

**NO
FEAR
HERE**

In this wonderful year of 2019, I challenge you to walk by faith and not by sight. In order to do this, we must believe God and His report and remove the fear that we may have to complete the assignments God has given us. As we make this mind shift, we must remember not to be conformed to this world, but be transformed by the renewing of our minds (Romans 12:2). Transformation happens in the mind. We must be intentional and think about what we are thinking about. The transformation happens when we begin to study the report of God by getting into His word and letting that word be planted in our hearts. Once it's planted, we begin to do what the bible has instructed us to do. The fear is removed when we believe what God has said about us. We believe what we can do through the power of His word and His spirit.

As we went through our **No FEAR Here** series, we began to acknowledge that through the power that God has given us, we can declare no failure, no excuses, no anxiety and no regrets. That through 2 Timothy 1:7, God has not given us a spirit of fear, but of power, love and a sound mind. We began to understand that this fear does not come from God. God does show us what He has given us and that's exciting. In fact, the things that God has given us, power, love and a sound mind, will conquer fear if we allow it.

We must get past what we don't have and concentrate on what we do have. We have God and all the power that He has delegated unto us. This power is what we need to overcome fear with our faith. This power allows love to cancel out fear as we find in 1 John 4, that tells us that "perfect love cancels out all fear". The love that God has demonstrated in the giving of His only son Jesus Christ, has allowed us to step out of fear and step into faith. Make the exchange, take the step, move from fear to faith and believe the report of the Lord. We have the power. Use the power, receive the love, and walk with a sound mind.

I challenge you to view our **MotivateME** Facebook page and our YouTube Channel to get the teachings that will encourage you as well as challenge you to make the transition so that you will get to the wonderful place of dominion that God has called us to. We are God's children and we walk by faith and not by sight. We will not fail, because there is no failure in God. We will remove all excuses because excuses excuse us from taking chances. We will not be anxious for nothing, we will pray, and we will make our request known to God. We will not walk in regret because we have been redeemed by the blood of Jesus. Our past will not haunt us or hold us. We will move forth in faith that will force us forward to victory. No fear here!

2 Timothy 1:7

No Failure

Romans 8:37 (KJV)

Nay, in all these things we are more than conquerors through him that loved us.

No Excuses

Romans 1:20 (KJV)

For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

No Anxiety

Philippians 4:6-7 (KJV)

Be careful for nothing; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. ⁷And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

No Regret

Romans 8:1 (KJV)

There is therefore now no condemnation to them which are in Christ Jesus, who walk not after the flesh, but after the Spirit.

FEAR NOT LITTLE FLOCK

Luke 12:32 (KJV)

Fear not, little flock; for it is your Father's good pleasure to give you the kingdom.

God owns everything, and what He owns he can give to whomever he wants. According to Psalm 24:1, "The earth is the Lord's and the fullness thereof; the world, and they that dwell therein. David tells us in 1 Chronicles 29:12 "Both riches and honor come of thee; and thou reignest over all, and in thine hand is power and might, and in thine hand it is to make great, and to give strength unto all". If we can believe these scriptures, we can believe that as God's children we have access to what He owns. I encourage you today, don't let fear stop you from stepping into the kingdom, where we have dominion, where we rule, where we have power that has been delegated to us by God. In Luke 12:32 God tells us not to fear because it's the father's good pleasure to give us the kingdom.

Let us look at the word "fear" which in the Greek is "Phobeo" and it means to "put to flight by terrifying". This brings back a memory of my grandmother always enforcing in us not to run from a fight. She used to say, "you better not run". When we were young my brother was running home from someone who wanted to fight. My grandmother just happened to be standing in the door watching him as he was running. You could say "he took flight" because he was afraid. As soon as he ran to the door, she grabbed him before he could get past her and she looked at him and said, "what are you running from". He stated he was running from someone who wanted to fight him. She quickly told him to get back out there and fight and you better win," my brother looked at her and at that moment he had to decide which voice he was going to listen to. The voice of fear or the voice that was telling him that he could win. She gave him the reassurance that she was standing right there beside him, and she knew he could win because she knew what was in him. God lets us know and gives us reassurance as our Father that

because He is in us and with us, we will win. I encourage you, if you have taken flight because of fear, get back out there and fight, face your fears knowing that God is on your side. We can do all things through Christ who is our strength (Philippians 4:13). Many times, we don't know what's in us until fear challenges us to pull on the inner God that's in us. The InnerG is our energy we need to move past our fears, to fight and to win. Fear may challenge us, it's our faith that will change us as we trust in what's on the inside of us. Greater is He that is in us than he that is in the world (1 John 4:4).

I used to fear many things. I remember as a teenager I feared sleeping in my room by myself after the death of my mother. I found comfort in a little red bible I would keep under my pillow. I felt the presence of God and knew everything was alright because God was with me through His word. Sleeping in my room by myself with that little bible under my pillow, was an outward victory that conquered an inward fear. I learned to take these victories and store them up and conquer fear one moment at a time. I didn't want to miss what God had for me. So as a little flock I will not take flight. Take moments of faith to conquer your fears and every victory will bring more victories through our trust in God.

God lets us know that it's His good pleasure to give us the kingdom and everything it entails. That word "give" in the Greek in Luke 12:32 is "Didomi" and one of the definitions is "to supply, furnish, necessary things". In other words, it's God good pleasure to supply, to furnish, our necessary things. So, He tells us not to fear. Don't take flight, don't run, go forth with the confidence that God is bigger than our fears. He's bigger than our doubts, He is so much bigger than the thoughts we have that would cause us to think that things won't work out for our good. When we walk in faith instead of fear, the only thing that won't work is the lies the enemy tells us. Whatever we need, it's God's good pleasure to give it to us. So, fear not, little flock, we're already provided for and all our needs are met.
